Greetings Swim Team Members and Families!

For the fifth consecutive year we partnering with St. Thomas Roasters in Linglestown to sell their fresh roasted coffee. St. Thomas Roasters is selling us their coffee at a wholesale price, \$4.50. We will then sell it at the same price for which they sell it at their shops, \$9.00 per ½ pound bag.

St. Thomas Roasters has created a special blend of fresh roasted coffee for us called "Classic Crusader Roast"! It is a very special product. Other flavors available for our sale are their Classic Roast, Cinnamon Bun and the De-cafeinated version of the Classic Roast. The Cinnamon Bun roast is very popular, smells great, tastes even better.

If each swimmer sells two pounds (4 bags) of coffee we can realize a profit of over \$500. That would be a tremendous boost to our current financial situation. However, please do not limit yourself to just two pounds if you have the ability to sell more.

We are not asking anyone to go door-to-door selling coffee. Sell to your immediate family, maybe a close neighbor or someone with whom you work. You will become an instant hit with any real coffee lover!

We will be taking orders and collecting payments at the same time. Money is due from the purchaser when the orders are taken. Checks must be turned into us when the order is turned in. Checks should be made payable to the "Bishop McDevitt Swim Team".

Thanks once again helping us raise the funds necessary to keep our student athletes in the pool. Questions about the sale can be directed to Dan or Ann Delp, 234-4756.

Order sheets and payment should be turned in on or before the December 2nd practice. Please give the orders and payment to either Ann or Dan Delp.

The coffee will be available for pick-up and delivery on December 10th or 11th at practice.

Thanks for helping our student athletes once again.
